THE COUNTY OF FRESNO INVITES RESIDENTS TO OFFER INPUT ON THE AMERICAN RESCUE PLAN ACT OF 2021 (ARPA)

The County of Fresno invites the public to complete the Community Outreach Survey on the American Rescue Plan Act of 2021 starting now through December 3rd, 2021. The survey is intended to collect community input to help determine how the County will invest these dedicated one-time funds.

Fresno County will receive \$194 million from the federal government to address the impacts and recovery from COVID-19. The funding is derived from the American Rescue Plan Act of 2021 (ARPA) and can be invested or used generally in four areas: public health/economic recovery, public sector revenue loss, essential workers, and infrastructure.

The survey is available as an online form in over 40 languages at: www.fresnocountyca.gov/ARPA. Paper hard-copy forms in English, Spanish, Hmong or Punjabi, will be available this week at all Fresno County Libraries. PDF versions of the printable form will also be available on the Fresno County ARPA website at: www.fresnocountyca.gov/ARPA. Completed paper hard-copy forms may be submitted via email to ARPA@fresnocountyca.gov, or hand-delivered or mailed to County Administrative Office, ARPA 2021, 2281 Tulare Street, Room 304, Fresno, CA 93721.

For any questions, please contact the County Administrative Office at 559-600-1221 or visit online at fresnocountyca.gov/ARPA.
